

IMS Polymer Program 60th Anniversary Symposium August 17-21, 2025 American Chemical Society Fall Conference Washington, DC

2025 marks the 60th anniversary of the UConn IMS Polymer Program. We will celebrate the event with a one-day symposium at the American Chemical Society 2025 fall conference in Washington, DC, August 17 -21, 2025. The symposium will include talks from alumni, former colleagues, and close friends of Polymer Program, the list is below. The presentations cover a variety of polymer research topics as well as some history of the program.

Learn more about the ACS Fall 2025 meeting at: <https://www.acs.org/events/fall.html>.
